April 20, 2010

Dear Terraset Families and Friends,

Welcome to our eighth annual spring Carnival – an Earth Day Celebration! We are very excited about this event and thank you for attending.

The Spring Carnival is a major fundraising event for our school. The money that is raised will help provide valuable enrichment programs, field trips, technology, and teacher support.

Many Reston area residents and businesses made donations to this event, particularly the Silent Auction which this year will offer over \$10,000 worth of goods and services to our community. Help us express our appreciation by giving them your patronage, support and thanks.

I personally want to thank each of you for your continued support of our school and for making our Earth Day Carnival a success.

Enjoy!
