

Dear Parents and Guardians,

Welcome to another great year at Terraset! I will be the volunteer coordinator for BoxTops for Education and Campbell's Labels. This year, our goal is to raise \$900 to support PTA programs for our school. Campbell's labels are collected and can be redeemed for software, sports equipment or books for our school. Our first collection this year will end on October 16th. The class with the highest participation rates will get a surprise! Please put the BoxTops and the Labels in a bag or on a collections sheet with your child's name and teacher.

BoxTops offers three easy ways to earn cash for our school through everyday activities such as buying groceries, shopping online and purchasing books.

Clip — Clip Box Top coupons from hundreds of participating products and send them to school. BoxTops coupons are worth 10¢ each when our school redeems them from BoxTops for Education. Find a list of participating products on the BoxTops website (www.boxtops4education.com).

Shop — Shop at your favorite online stores through the BoxTops MarketplaceSM (btfe.com/marketplace). Up to 8% of each qualifying purchase is automatically donated to our school. There is no additional cost to your purchase and many exclusive deals and discounts can be found!

Buy books — Purchase books online at Barnes & Noble through the BoxTops Reading RoomSM. Our school will receive 6% of your new book purchases and 3% of all other online purchases.

One of the easiest ways you can help is to sign up to support our school at www.btfe.com. You will learn about new and easy ways to help our school earn the extra cash it needs. Plus, you can sign up for email newsletters to receive new product updates, and BoxTops members-only deals and discounts at BoxTops MarketplaceSM retail stores. To learn more, visit www.btfe.com

Campbell's Labels can be found on many products including Campbell's soups and many Pepperidge Farms products. Check the list of eligible products on Campbell's website (www.labelsforeducation.com).

These are two great programs that are so easy and provide a great benefit to our children. They are also an easy way to get Grandparents, Aunts, Uncles or friends involved. I would love to see some higher participation rates, especially among our older students!
