

Welcome to the 2011-2012 school year at Terraset Elementary School! In anticipation of a productive and fun year for our children, staff and school, the Terraset Parent Teacher Association (PTA) is already hard at work planning many events and programs that will make this school year a success!

The PTA, nationally and locally, is committed to bringing home and schools together. It promotes the welfare of children throughout the community, works to secure laws for the care and protection of children and youth, and seeks to develop united efforts between educators and the general public so that children may receive every educational advantage.

Within our school, the PTA sponsors many events and programs that help enrich every child's educational experience, while fostering a community of open communication, inclusiveness and fun! Last year the Terraset PTA raised over \$35,000 in support of our school. This went directly to AFTER SCHOOL PROGRAMS, EDUCATIONAL ASSEMBLIES, GRACE ART, the READ-A-THON, FIELD TRIPS, MATH SUPERSTARS, REFLECTIONS ART PROGRAM, FIELD DAY, TEACHER MINI-GRANTS, TECHNOLOGY GRANTS, the BUTTERFLY GARDEN AND OUTDOOR CLASSROOM, BINGO NIGHT, SKATE NIGHT, and the EARTH DAY CARNIVAL.

This year plans to be just as productive but we need your help and support. Please consider joining the PTA. For over 100 years PTA has encouraged the partnership that studies have validated time and again—teachers and parents, working together, mean better-educated students.

Sincerely,

Annette Bobby  
PTA Vice President & Membership Chair
