

The **Terraset PTA** publishes a Student Directory each fall to help our families stay connected. The directory is only given to families and staff at Terraset.

1. Families can include a message to their favorite student or teacher for only \$10! Do you want to? Write your message below and attach a check for payment made out to **Terraset PTA**.

2. We also solicit ads from the business community to be placed in the directory as a PTA fundraiser. Do you have a favorite restaurant or know a community-minded business we could contact for a donation? Please enter your **referral** below.

3. We get our information for the directory from the school but things may have changed since you submitted your form. Please note your details below & return by **Tuesday October 13th**.

4. Of course, you can opt-out if you wish. Check here if you **do not** want your child listed.
